# ABOUT US

## Our Core Mission and Purpose

Delreece Crating and Packaging core business is the manufacture and supply of crating and packaging products thus providing our clients with a ONE STOP packaging solution. We offer our clients a cost-effective solution to all their packaging requirements and place great emphasis on quality service.

We also offer our clients a cost effective quality procurement service for goods required by their organization and are able to provide these options to a wide range of clients, including those operating in industries with unique supply chain requirements.

Our purpose is to earn a loyal patronage through continual efforts to provide quality, cost-effective and reliable service. We strive to create long-term relationships, and so become an extension of our clients' business.

## Company Background

- ▶ Delreece Crating and Packaging has been in operation since 2009 with competent and experienced staff and management who have been in the crating and packaging industry since 2003.
- ▶ Our increased client base has been built on a firm belief in strong ethics, honesty and high quality standards, which has created a need for our company to expand its workforce, in order to provide an efficient service to our clients.
- ▶ Since its inception Delreece Enterprises has been a **BEE compliant company**, with 51% being woman owned and trading as a **level 1** compliant company.
- ▶ The company premises are located at Sunderland Ridge, Centurion, which makes it ideally situated to service customers in the Pretoria, Midrand and Johannesburg areas.
- ▶ Delreece's staff complement possess years of collective experience and expertise in the crating and packaging industry.

## Services

- ▶ Delreece Enterprises is registered with the International Plant Protection Organization of South Africa and is compliant with standards regulating wood packaging material in international trade. (IPPC – ISPM No.15)
- ▶ Delreece Enterprises offers its clients individual consultation on site in order to provide them with the best and most cost-effective packing solution.
- ▶ We also conduct on-site operations depending on our customer requirements.
- ▶ Delreece also has a packaging division which supplies it's customers with associated packaging products from corrugated boxes, tapes, strapping and wrapping products etc.

# CRATING

We can build all types of wooden crates according to your specifications. We have experienced staff, and management ready to meet all your crating needs. At Delreece, we build crates on-site or off-site.
